Comment the President

The population of the panchayat according to the 1951 Census is 7815 and the area of the panchayat is 18.62 Square Miles ~~18.62 Sq mls~~

Every year one or two wells are established and every year some of the existing performances and ~~yearly~~ audit comments are also to be got. Unless the Rules of the Revolt Act is extended it is impossible to ~~enforce them~~ or to have any control over them. I have the opinion it is necessary to extend the P P R Act to this panchayat area. The ~~daily~~ wage of a ~~man~~ woman ~~was~~ is fixed in the P P Act is extended is about Rs 50 a year. Ref:-Government [illegible] P.P.C1.5899/54-1 Health dated 11.9.54.

The Perla Panchayat [illegible] collection of entertainment tax on cinema shows, circus shows and sales in Bunkeje village and attaching village for the year 1953 and 1954. There were no occasion for it to collect entertainment tax in Bunkeje village during the years 1953 and 1954. There were entertainments shows such as circus shows and sales in Bunkeje village in the year 1953 and a sum of Rs.10-10-0 was collected as entertainment tax in the year 1953. The entertainment tax was collected in Bunkeje village this year up to the end of September. The touring cinemas in this district did not go for present in Perla Panchayat Board area. As it is not an important place, I do not recommend the proposal to extend the provisions of the Places of Public Resorts Act to the Perla Panchayat area.

The case relates to the request of the President, Perla Panchayat Board (in South Kanara Dt) for the extension of provisions of the Places of Public Resort Act to the Panchayat area.

2 The Perla Panchayat Board comprising Enmakaje and Kattekkke villages - Kasargod Taluk has resolved in its resolutions no 44 dt 27.10.52 & no 46 dt 5.12.53 to get the provisions of the P.P.R Act extended to its area. The population of the Panchayat

P.T.O.

according to 1951 census is 7815 and the total area of the Panchayat is 18.62 Sq. miles. It is stated that in the Panchayat area every year one or two circuses or shows are conducted besides dramatic performances and other variety entertainments, that it is not possible for the Panchayat to license them and to exercise control over them, that the amount expected by the Panchayat by way of fees will be about Rs 50/- every year and that it is with a view to licence the shows, circuses & other entertainments by the Panchayat considered the extension of the provisions of the P.P.R Act is necessary. The D.P.H and the Secy of Local Boards have recommended the proposal. The Collr of South Kanara whose remarks were called for, has not recommended the proposal for the reasons stated at 'M' on p 21 C.

3. It would appear from the Collr's letter that the need for the extension of the provisions of the P.P.R Act to Perla Panchayat has been considered only from the point of view of proceeds under collection of entertainment tax. It does not appear that the

question has been examined from the sanitary and public health aspects. It is not necessary that extension of the provisions of the P.P.R Act to any Panchayat for exhibitions of cinematograph shows is the criterion. A licence under the P.P.R Act may be necessary where an enclosed place or building within a local board area (measuring 500 sq feet or more) whether permanent or temporary is to be used for public resort or entertainment. (Vide Sec 3 of the P.P.R Act) In the circumstances it is for orders whether the provisions of the Act may be extended to Perla Panchayat as recommended by the Dispy of Mlcls & local Boards and the D.P.H.

Subject to orders the file may be sent to Revenue and Law (Ft) for remarks.
